Special Notice of Potential Liability

Dear Sir or Madam:

This letter is being sent to you as the listed contact person for the potentially responsible party (PRP) identified above. This letter follows upon a notice letter issued by the United States Environmental Protection Agency (U.S. EPA or the "Agency") and the Indiana Department of Environmental Management (IDEM) in connection with the above referenced Site to you and approximately 240 other parties on March 9, 1988. This letter contains a formal demand for reimbursement of costs, including interest thereon, that have been incurred in response to the environmental problems at the Site. This letter also provides notice of a period of negotiations seeking your company's voluntary participation in performance or financing of the remaining response actions necessary at the Site. Finally, this letter provides information describing the involvement of other PRPs with the Site to assist you in participating in these negotiations.

Section 9601 et seq. (CERCLA), as amended by the Superfund Amendments and Reauthorization Act of 1986, Public Law 99-499 (SARA).
